

COOPSPACE

Glogauer Straße | Berlin

We are a self-organised co-working community

Focused on new ways of collaboration, participation, relating and being - we have a big space in the heart of Kreuzberg to nurture this vision.

The community is a hub for sustainable organisations and projects working at the intersection of cooperativism, open-source software, mind-body work, community building and new forms of governance.

Collective areas & togetherness

LARGE KITCHEN

A community feeds on food and people.
Community lunches, coffee breaks and more.
The party is always in the kitchen.

COMFY LOBBY

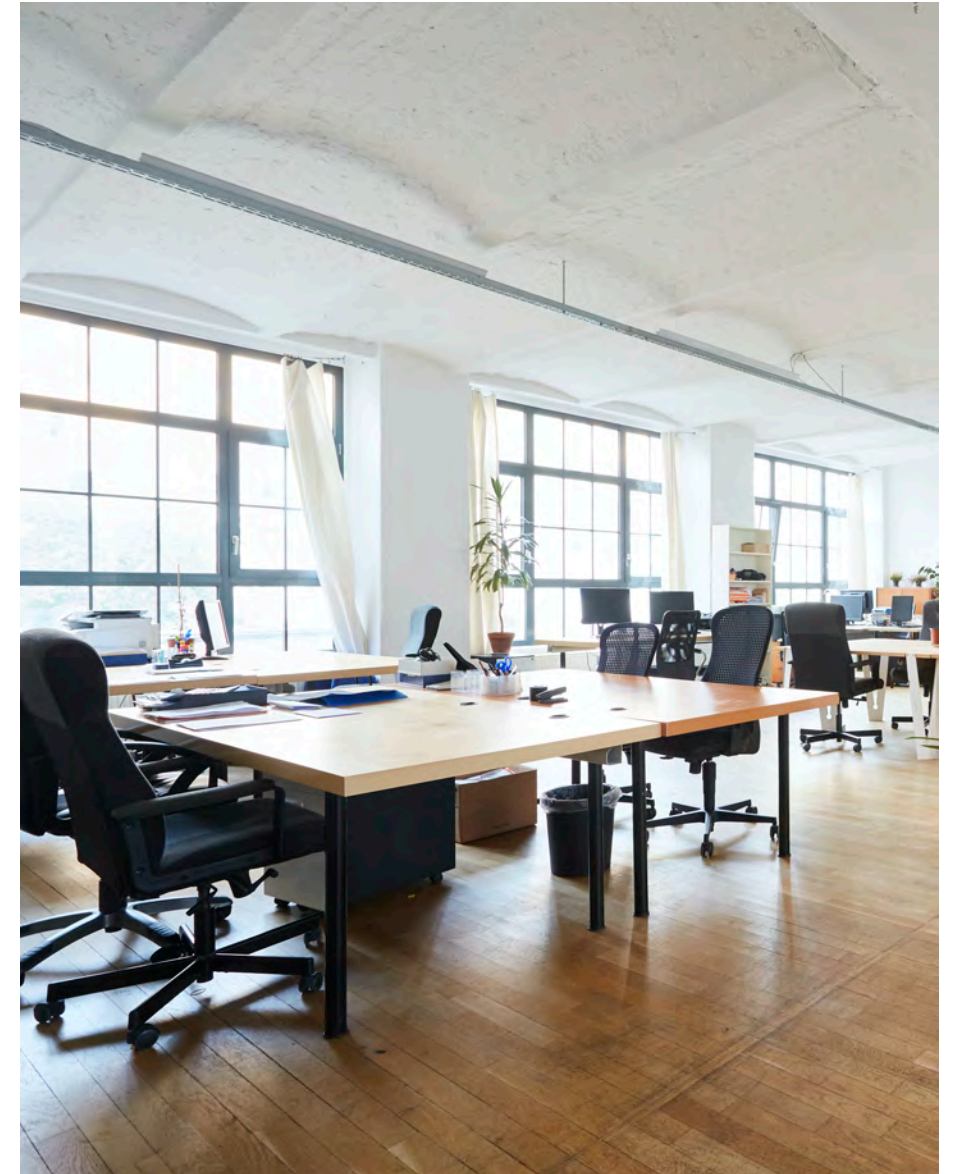

Welcome clients, have informal meetings
or just take a break from your work.
Use this comfortable space as you see fit.

Modular workshop space

A large space that can be used for anything from meetings and events to bodywork, yoga, meditation or dance. This room can also be rented separately for non-members.

Co-working area

An ideal workspace to turn your ideas into reality.
Some private rooms for face to face or digital meetings.
